BottomLess Brunch Guest Guidance

We want you to relax, enjoy and make the most of your 90 minutes with us. To keep things smooth and fair for everyone, please take a moment to read these quick notes:

- **Table Ordering** – All Food and Drinks orders for the BottomLessBrunch will be taken by a member of our team.
- **One basket per guest**. Your brunch includes our Signaure Chinese Comfort Food Basket (2 Tapas, 2 mains, 2 sides & a ramekin of sauce). Extra food isn't included in the BottomLess package.
- **90 minutes from booking**. Please arrive on time so you don't miss out.
- **All on the table, MUST** be on the BottomLessBrunch Offer.
- **Unlimited drinks for 90 minutes.**
  - We're not here to slow you down — enjoy as much or as little as you like within your 90 minutes. We only ask that you drink responsibly and pace orders fairly (e.g. one drink per person at a time).
  - Our team may politely pace drinks only if multiple rounds are requested at once, just to keep things fair.
- **Final drink orders** are to be placed 10 minutes before your brunch ends, with time to finish anything already at your table.
- **Food & drinks must be enjoyed here** — nothing can be taken away.
- **No service charge**. We don't add a service charge to your bill — we'd rather keep costs fair and let you decide. If you feel our team looked after you well, tips are always appreciated, but never expected.
- **Be kind.** We're a small, independent team doing our best to give you a great experience. Any form of abuse towards staff will not be tolerated.
